

WRAGS

**SECTION 1: Identification of the substance/mixture and of the supplier**

**Product name:** WRAGS

**Manufacturer/Supplier Trade name:** WRAGS

**Manufacturer/Supplier Article number:** 45 - 1220

**Recommended uses of the product and uses restrictions:** Scented hand wipes specially formulated with a solution which is safe to use for cleaning hands without soap and water. No significant hazards will arise from the intended and correct use of this product. See product label or insert for intended uses.

**Manufacturer Details:**

UTILITY Enterprises, Inc.

700 Main Street

Westbury, NY 11590

**Emergency telephone number:**

INFOTRAC 1.800.535.5053

**SECTION 2: Hazards identification**

**Classification of the substance or mixture:**

Eye irritation, category 2B

**Signal word:** Warning

**Hazard statements:**

Causes eye irritation.

**Precautionary statements:**

If medical advice is needed, have product container or label at hand.

Keep out of reach of children.

Read label before use.

Wash skin thoroughly after handling.

IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses if present and easy to do.

Continue rinsing.

If eye irritation persists get medical advice/attention.

**Hazard not otherwise classified:**

May cause mild to moderate skin irritation or allergic reaction in some individuals.

Wash hands thoroughly if affected.

**Other Non-GHS Classification:**

**WHMIS  
NFPA/HMIS**

	WRAGS

NFPA SCALE (0-4)

Health	<b>1</b>
Flammability	<b>0</b>
Physical Hazard	<b>0</b>
Personal Protection	<b>X</b>

HMIS RATINGS (0-4)

**SECTION 3: Composition/information on ingredients**

<b>Ingredients:</b>		
CAS 68439-46-3	Alcohol C9-C11 Ethoxylate	<2 %
CAS 7732-18-5	Water (Purified)	>90 %
CAS 94266-47-4	D-Limonene (Fragrance)	<2 %
Percentages are by weight		

**SECTION 4: First aid measures**

**Description of first aid measures**

**After inhalation:** Loosen clothing as necessary and position individual in a comfortable position. Move exposed to fresh air. Give artificial respiration if necessary. If breathing is difficult give oxygen. Get medical assistance if cough or other symptoms appear.

**After skin contact:** Rinse/flush exposed skin gently using soap and water for 15-20 minutes. Seek medical advice if discomfort or irritation persists.

**After eye contact:** Protect unexposed eye. Rinse/flush exposed eye(s) gently using water for 15-20 minutes. Remove contact lens(es) if able to do so during rinsing. Seek medical attention if irritation persists or if concerned.

**After swallowing:** Rinse mouth thoroughly. Do not induce vomiting. Seek medical attention if irritation, discomfort, or vomiting persists. Never give anything by mouth to an unconscious person.

**Most important symptoms and effects, both acute and delayed:**

Stinging and irritation of eyes.

**Indication of any immediate medical attention and special treatment needed:**

If seeking medical attention provide SDS document to physician. Physician should treat symptomatically.

**SECTION 5: Firefighting measures**

**Extinguishing media**

**Suitable extinguishing agents:** Use water, dry chemical, chemical foam, carbon dioxide, or alcohol-resistant foam.

**For safety reasons unsuitable extinguishing agents:**

**Special hazards arising from the substance or mixture:**

Thermal decomposition can lead to release of irritating gases and vapors.

**Advice for firefighters:**

WRAGS

**Protective equipment:** Wear protective eyewear, gloves, and clothing. Refer to Section 8. Use NIOSH-approved respiratory protection/breathing apparatus.

**Additional information (precautions):** Avoid inhaling gases, fumes, dust, mist, vapor, and aerosols. Avoid contact with skin, eyes, and clothing.

#### **SECTION 6: Accidental release measures**

##### **Personal precautions, protective equipment and emergency procedures:**

Ensure adequate ventilation. Ensure that air-handling systems are operational.

##### **Environmental precautions:**

Should not be released into environment. Prevent from reaching drains, sewer, or waterway.

##### **Methods and material for containment and cleaning up:**

Wear protective eyewear, gloves, and clothing. Refer to Section 8. Always obey local regulations. If necessary use trained response staff or contractor. Evacuate personnel to safe areas. Use spill berms to contain spill and absorb spill from outside working way towards center. Place in appropriate container for disposal. For disposal, refer to Section 13.

##### **Reference to other sections:**

#### **SECTION 7: Handling and storage**

##### **Precautions for safe handling:**

Follow good hygiene procedures when handling chemical materials. Refer to Section 8. Follow proper disposal methods. Refer to Section 13. Do not eat, drink, smoke, or use personal products when handling chemical substances. If skin irritation or allergies occur, avoid contact with skin.

##### **Conditions for safe storage, including any incompatibilities:**

Store in a cool location. Keep away from food and beverages. Protect from freezing and physical damage. Keep container tightly sealed. Store away from incompatible materials.

#### **SECTION 8: Exposure controls/personal protection**

**Control Parameters:** No applicable occupational exposure limits

**Appropriate Engineering controls:** Provide exhaust ventilation or other engineering controls to keep the airborne concentrations of vapor and mists below the applicable workplace exposure limits (Occupational Exposure Limits-OELs) indicated above. Not required under normal conditions of use. If chemical splash is expected while handling bulk solution, emergency eye wash fountains should be available.

**Respiratory protection :** Not required under normal conditions of use. Where risk assessment shows air-purifying respirators are appropriate use a full-face particle respirator type N100 (US) or type P3 (EN 143) respirator cartridges as a backup to engineering controls. When necessary use NIOSH approved breathing equipment.

**Protection of skin:** May cause mild to moderate skin irritation or allergic reaction in some individuals. Wash hands thoroughly if affected and discontinue use.

**Eye protection:** No eye protection is required when using product as intended. If chemical splash is expected, wear eye protection.

**General hygienic measures:** Not required under normal conditions of use.

#### **SECTION 9: Physical and chemical properties**

**Safety Data Sheet**  
according to 29CFR1910/1200 and GHS Rev. 3

## Canada

### Canadian Domestic Substances List (DSL):

All ingredients are listed.

### Canadian NPRI Ingredient Disclosure list (limit 0.1%):

None of the ingredients are listed.

### Canadian NPRI Ingredient Disclosure list (limit 1%):

None of the ingredients are listed.

## SECTION 16: Other information

This product has been classified in accordance with hazard criteria of the Controlled Products Regulations and the SDS contains all the information required by the Controlled Products Regulations. Note: The responsibility to provide a safe workplace remains with the user. The user should consider the health hazards and safety information contained herein as a guide and should take those precautions required in an individual operation to instruct employees and develop work practice procedures for a safe work environment. The information contained herein is, to the best of our knowledge and belief, accurate. However, since the conditions of handling and use are beyond our control, we make no guarantee of results, and assume no liability for damages incurred by the use of this material. It is the responsibility of the user to comply with all applicable laws and regulations applicable to this material.

### Disclaimer:

The information provided in this Safety Data Sheet is correct to the best of our knowledge, information and belief at the date of its publication. The information given is designed only as a guidance for safe handling, use, processing, storage, transportation, disposal and release and is not to be considered a warranty or quality specification. The information relates only to the specific material designated and may not be valid for such material used in combination with any other materials or in any process, unless specified in the text. Information on this form is furnished solely for the purpose of compliance with the Occupational Safety and Health Act and shall not be used for any other purpose. **UTILITY** urges the customers receiving this Safety Data Sheet to study it carefully to become aware of the hazards, if any, of the product involved. In the interest of safety, you should notify your employees, agents, and contractors of the information on the sheets. The information herein has been compiled from sources believed to be reliable, up-to-date, and is accurate to the best of our knowledge. However, **UTILITY** cannot give any guarantees regarding information from other sources, and expressly does not make warranties, nor assumes any liability for its use.
