# WONDER GUARD FC FIN & COIL PROTECTANT

Provides long term protection against  
buildup of dirt, grime and corrosion

- Extends equipment life
- Reduces maintenance costs
- Maintains operating efficiency
- Easy to apply

Apply **WONDER GUARD FC** to coils of air conditioning and refrigeration systems, condensing units, icemakers, most any type of fin or coil.

### DIRECTIONS

Prepare surface by cleaning coil surfaces with **UTILITY CYCLONE Aerosol Fin & Coil Cleaner**. Rinse with fresh water and allow to dry. Shake **WONDER GUARD FC** container well before using. Hold container upright and 10-12 inches from surface to be sprayed. Press down on plastic valve with opening pointed away from you and spray. Coat all coil surfaces to be protected well and allow to dry. Avoid overspray of floors and walkways. For highest efficiency, clean fin and coils frequently, then reapply **WONDER GUARD FC**.

Keep your coils  
clean and energy  
efficient like this

Not like this

12-12 oz. containers
