

ROOTAWAY™

ROOT DESTROYER

When used as directed, it helps

**Prevent Roots
From Clogging
Drains Ever Again!**

Easy-to-use pre-measured
quick-dissolving water-soluble packets
NO MEASURING, NO MESS and
NO CONTACT WITH HANDS

- Always the Correct Amount
- Never the Mess of Mixing or Measuring
- No More **CHEMICAL CLOUD**
Every Time You Open the Container

Use for the prevention and control of roots in sewer lines. Packaged in unique individual water-soluble packets RootAway is pre-measured, eliminating the need for messy handling, the guesswork of measuring, and the inconvenience of cleaning up. RootAway has a delayed action that slowly releases its chemical crystals to the fibrous hair roots where it is absorbed. Although powerful, RootAway is harmless to drainage lines, sewage disposal systems and trees, and is registered with the Environmental Protection Agency. For best results RootAway should be introduced in the early spring and then used as a monthly maintenance program.

Item# 10-605 12-2 lb. containers (each contains 4-8 oz. packets)

Contains: Copper Sulfate Pentahydrate

EPA #10266-1

NOT FOR USE OR SALE IN THE STATE OF CONNECTICUT OR THE SAN FRANCISCO BAY AREA

- ◆ Safe for Use in Sewers, Cesspools, Septic Tanks and Storm Drains
- ◆ Will not Harm Trees, Shrubs or other Vegetation, except in pipes, when properly used
- ◆ Saves on Costly Repairs from Power Rooting, Digging and Pipe Replacement
